Seating/Table Arrangement

The caretaker is very happy to arrange the Conference room as you wish. Please note on your booking form how you would like it to be set out, e.g. classroom style, boardroom style, U shape, etc. It may help if you draw a plan on the reverse of the booking form. It is of great assistance if you are able to leave the room as you find it.

Please give an idea of the number of people attending.

Additional Space

If you need to break into smaller groups at any point in the day, please ensure that you have booked space in the other rooms listed.

Disabled Visitors

We have made provision to ensure disabled visitors feel welcome and able to use the facilities at DABCEC. There is a designated parking bay for disabled drivers. The main entrance has no steps and has automatically opening doors. The Building is on one floor with no internal steps and there is a washroom fitted for disabled visitors.

Easy access to the Meeting Room, Conference Room and Dining Room is via the normal main entrance to the building. However, the doors leading directly outside from these rooms do not have level access. Please ensure that the facilities are suitable for the requirements of your group.
