**Come and learn more on
Saturday 25th March,
at DABCEC, Crawley, RH10 6RP, 10 am - 1 pm
*(Coffee from 9.45 am)***

The key objective is to build up a network, make people aware of projects and activities and encourage more engagement by wider promotion of social action.

We want to:

- Set out a vision of how we want to work
- Share and affirm ideas.
- List out how parishes, organizations, etc., work.
- Have a map of the diocese, displaying areas of who's doing what in the diocese, information gathering
- Include newly formed refugee groups in this analysis
