

# Morning for Baptism Catechists

Saturday 13 May 2017

9:30am - 1pm

at DABCEC, Crawley

“In this era of New Evangelisation, how can we make the most of this opportunity to proclaim Jesus Christ to those who present their children for Baptism?”

This morning will look at a Baptism Preparation resource (Growing up Catholic) which focusses less on imparting information, but on offering parents an encounter with Jesus Christ. This is a continuation of the session for Catechists held in September 2016, but will also be open to those involved with infant baptism preparation.
