World Meeting of Families Diocesan Event

Anyone intending to join this wonderful celebration is invited for afternoon tea on **15th July** from 2.30pm at The Friary Church Hall, The Friary, Haslett Avenue West, Crawley, West Sussex, RH10 1HR. Whether the Diocese has arranged your accommodation or if you have done this yourself, **everyone** is welcome to come for a briefing of what to expect.

Although we have arranged transport in and out to the Conference centre each day, everyone's plans are their own and so we will be explaining the programme that the official Irish WMoF group have organised and sharing how each family can construct their own choices.

We will also be looking at a "survival guide" of where to eat, what to bring and how to maximise the opportunity open to you and finally at the possibility of finding a time during the week when we will have the opportunity to meet together with the Bishop.

Please do let us know if you are able to join us wmof2018@dabnet.org

matter of downloading, photocopying, and distributing small tear-away calendars to parishioners for them to tally the number of rosaries prayed each two weeks and drop the results in the collection basket. Weekly, year-to-date, and grand totals are published each week in the parish bulletin to remind and encourage everyone to pray the rosary. For more information www.parishprojects.com or email phirzel2003@yahoo.com

Safe Car Wash App: The campaign 'Safe Car Wash App' was launched by the Church of England and the Catholic Church in England and Wales amid growing concerns that some of the estimated 18,000 hand car washes operating around the country are exploiting workers. The app lets drivers punch in their location when arriving at a car wash then flick through a series of slavery indicators such as whether the car wash only accepts cash, evidence of workers living on site or whether the workers seem fearful. If the answers indicate a high likelihood of slavery, users will be directed to a modern slavery helpline. You can download the app for Android and Apple phones. Clergy in particular are asked to raise awareness of the app and the campaign against slavery.

Safeguarding Research project: Dr Craig Harper from Nottingham Trent University, along with safeguarding colleagues working in a church context, is conducting some research on how members of various communities make sense of allegations of abuse. The research hopes to establish some of the factors that may affect people's willingness to believe allegations of abuse in various settings. Dr Harper and his colleagues hope that this research, which is the first of its kind in the UK, will shed light on how members of different communities make these decisions. This knowledge will help institutions to better serve and protect the children and adults they are responsible for. The research involves completing an online questionnaire, which should take approximately 10 minutes. It is completely confidential and you have the right to withdraw at any point. If you would like to take part, please click on [this link](#) which will take you to further information about the research, and to the questionnaire itself.
